DoD Computer Matching Agreement No. 12
HHS Computer Matching Agreement No. 2311
CMS Computer Matching Agreement No. 2023-03

Under the applicable provisions of the Privacy Act of 1974, as amended (5 U.S.C. § 552a), a computer matching agreement (CMA) shall remain in effect for such period, not to exceed 18 months. Within 3 months prior to the expiration of the agreement, however, pursuant to 5 U.S.C. 552a(o)(2)(D) the Data Integrity Boards (DIB) may, without additional review, renew the CMA for a current, ongoing matching program for a period not more than one additional year, if: (1) such program will be conducted without any change; and (2) each party to the CMA certifies to the DIB(s) in writing that the program has been conducted in compliance with the CMA.

This matching agreement meets the conditions for renewal:

I. Title of the Computer Matching Agreement:

Computer Matching Agreement Between the Defense Manpower Data Center
Department of Defense and the Centers for Medicare & Medicaid Services Department of
Health and Human Services for Disclosure of Enrollment and Eligibility Information for
Military Health System Beneficiaries Who are Medicare Eligible

II. Parties to the Matching Program:

Recipient Agency: Defense Manpower Data Center (DMDC), Department of Defense
(DoD)
Source Agency: Centers for Medicare & Medicaid Services (CMS), Department of
Health and Human Services (HHS)

III. Purpose of the Agreement:

The purpose of this Agreement is to verify the eligibility of Military Health System (MHS) Beneficiaries who are Medicare eligible to receive TRICARE benefits. The Agreement fulfills the requirements of Title 10 United States Code (U.S.C.) § 1086 (d) for DoD to discontinue military health care benefits to certain MHS beneficiaries when they become eligible for Medicare Part A unless they are enrolled in Medicare Part B. This includes certain MHS beneficiaries under age 65 who are entitled to Medicare Part

A unless subject to retroactive Medicare determination. The law also requires DoD to promptly notify persons of their ineligibility for continued TRICARE coverage if they do not enroll in Medicare Part B. Medicare eligibility/enrollment information can only be obtained from CMS. A determination of continued MHS eligibility cannot be easily made without the information disclosed by CMS. For DoD to meet the requirements of current law, CMS agrees to provide certain Medicare Part A and Part B entitlement and enrollment data on this dual eligible population which will be used to determine eligibility for coverage under TRICARE. DoD will receive the results of the match for the purposes stated above.

IV. Original Effective and Expiration Dates of the Match:

Original Effective Date:	February 13, 2024
Original Expiration Date:	August 12, 2025

V. Renewal and New Expiration Dates:

Renewal Date:	August 13, 2025
Expiration Date:	August 12, 2026

VI. Non-Significant Changes to the Computer Matching Agreement:
