BETWEEN
DEPARTMENT OF DEFENSE, DEFENSE MANPOWER DATA CENTER,
STATE PUBLIC ASSISTANCE AGENCIES, AND
DEPARTMENT OF HEALTH AND HUMAN SERVICES,
ADMINISTRATION FOR CHILDREN AND FAMILIES**

**“Verification of Continued Eligibility for Benefits Through the Public Assistance Reporting
Information System (PARIS) Program”**

DoD-DMDC No. 86

Under the applicable provisions of the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act of 1988, 5 U.S.C. § 552a(o)(2)(C), a computer matching agreement will remain in effect for a period not to exceed 18 months. Pursuant to 5 U.S.C. § 552a(o)(2)(D), within three months prior to the expiration of the computer matching agreement, the Data Integrity Board (DIB) may, without additional review, renew the computer matching agreement for a current, ongoing matching program not to exceed one additional year if:

1. such program will be conducted without change (meaning, without significant change, in accordance with OMB Circular A-108, page 18); and
2. each party to the agreement certifies to the DIB in writing that the program has been conducted in compliance with the agreement.

The following match meets the conditions for the one-year renewal by this recertification:

I. Title of Match:

“Verification of Continued Eligibility for Benefits Through the Public Assistance Reporting Information System (PARIS) Program” DoD-DMDC No. 86

II. Parties to the Match:

Source Agency: Department of Defense (DoD), Defense Manpower Data Center (DMDC)

Non-Federal Agencies: State Public Assistance Agencies (SPAAs)

Facilitating Agency: Department of Health and Human Services, Administration for Children and Families (ACF)

III. Purpose and Legal Authority of the Agreement:

This one-year renewal continues an established arrangement for a periodic computer matching program between DoD as the source agency, ACF as the facilitating agency, and the SPAA as the non-Federal agencies that will use the data in their public assistance programs.

The purpose of this matching program is to identify individuals receiving both federal compensation or pension benefits and public assistance benefits under federal programs administered by the states and to verify public assistance clients' declarations of income circumstances. Each participating SPAA will provide DMDC with finder files containing identifying and other data about public assistance applicants or recipients, which DMDC will match against DoD military and civilian pay files, military retired pay files, and survivor pay files (Office of Personnel Management (OPM) civilian retired and survivor pay files will not be used). DMDC will return matched data to the SPAA, which the SPAA will use to verify individuals' continued eligibility to receive public assistance benefits and, if ineligible, to take such action as may be authorized by law and regulation to ensure fair and equitable treatment in the delivery of and benefits attributable to funds provided by the Federal Government.

The legal authority for conducting the matching program is contained in sections 402, 1137, and 1903(r) of the Social Security Act (42 U.S.C. §§ 602, 1320b-7, and 1396b(r)).

This agreement is executed to comply with the Privacy Act of 1974, as amended (5 U.S.C. § 552a); and regulations and guidance promulgated thereunder, including OMB Circular No. A-108, "Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act," published at 81 FR 94424 (Dec. 23, 2016); OMB Circular A-130, "Managing Information as a Strategic Resource," published at 61 FR 49689 (July 15, 2016); and OMB guidance pertaining to computer matching, including: "Privacy Act of 1974: Final Guidance Interpreting the Provisions of Public Law 100-503, the Computer Matching and Privacy Protection Act of 1988," published at 54 FR 25818 (June 19, 1989). The Privacy Act at 5 U.S.C. § 552a(b)(3) authorizes a Federal agency to disclose information about an individual that is maintained in a system of records, without the individual's prior written consent, when the disclosure is pursuant to a routine use published in a System of Records Notice (SORN) as required by 5 U.S.C. § 552a(e)(4)(D). A published routine use in the applicable DoD SORN DMDC 01, authorizes the disclosures of DoD information that DMDC will make to SPAA under this agreement.

IV. Original Effective and Expiration Dates of the Match:

Effective Date: October 4, 2021
Expiration Date: April 3, 2023

V. Renewal and Expiration Dates:

Renewal Effective Date: April 4, 2023

Renewal Expiration Date: April 3, 2024

VI. Non-Significant Changes:

By this renewal, the parties agree to conduct said matching agreement without significant change. The following non-significant changes are made to the computer matching agreement.
